STATEMENT UNDER 37 CFR §1.821(e)

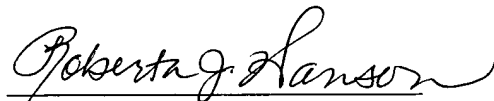

Dear Sir:

Pursuant to 37 CFR §1.821(e), Applicants make reference to the computer readable form of the application Sequence Listing already on file in PCT Application No. PCT/8S2004/000196, filed January 6, 2004, and hereby request that such earlier-submitted computer readable form be used in lieu of filing a duplicate computer readable form for the above-referenced patent application.

The computer readable form in PCT Application No. PCT/8S2004/000196 was submitted in compliance with all of the requirements of 37 CFR 1.821(e). Further, the paper form in the above-referenced patent application is identical to the computer readable copy filed for PCT Application No. PCT/8S2004/000196.

Respectfully submitted,

FAEGRE & BENSON LLP
